...and make pots of money

DST. Spread the word and get a tasty reward!

As one of our most valued customers, we're offering you the chance to make a pot of money, simply by introducing DST to your friends and contacts.

It works like this. We've given you a unique personal number that's printed on this card. The same number appears on each of the product cards you've also received. You'll need to distribute these cards to potential new DST customers to encourage them to buy. When they place an order, they'll be asked to quote your reference number - so we'll know who's earned the cash.

You make commission on the total sales value of all your successful referrals - 5% for one or two referrals, 7.5% for three to five referrals and 10% for six or more referrals. Sweet.

Terms and conditions
