just be

# be yourself

**Soar Mill Cove Hotel is a very special place.** Tucked away in a secluded spot on Devon's southernmost tip, our family run hotel is in the middle of an Area of Outstanding Natural Beauty, where the unspoilt countryside meets the sea. We even have our own delightful sandy beach – and wherever you look, the views are breathtaking. There's simply nowhere better to be.

**Holiday time is precious time,** so whether you're staying with family, with friends or with your partner, we'll go out of our way to make you feel at home. There's nothing worse than a pretentious hotel, which is why ours is easy-going and completely accommodating. Nothing is too much trouble and every detail matters.

# be indulgent

A photograph of a bedroom. In the center is a bed with a dark headboard, white linens, and several pillows in shades of red and brown. On either side of the bed are wooden nightstands with white drawers. Each nightstand has a glowing lamp with a white, rounded base and a square lampshade. The wall behind the bed is covered in floral wallpaper with green and yellow tones. A red blanket is visible in the foreground on the right.

**All our rooms are spacious,** calm and well ventilated, with French doors that open onto private patios and glorious views. Rooms are stylishly furnished for comfort and the large beds are designed for refreshing sleep. There are tea and coffee making facilities in every room, along with a TV with DVD player, and you can choose free films from our well-stocked library. Room Service is always on call whenever you need it.

**After a busy day exploring,** an active day walking, or a lazy day on the beach, you can indulge yourself in a deep, relaxing bath, then slip on your complimentary bathrobe and slippers before getting ready for dinner.

be tempted

**We're passionate about our food** and it shows in the quality and diversity of our extensive, seasonal menus. Good food comes from high quality ingredients, and here we're blessed with plenty of locally grown and organic produce. Fish and seafood are a speciality, with mouth-watering dishes like fresh lobster served in a saffron sauce with sautéed queen scallops.

**Enjoy a pre-dinner drink** in our unique Bolly Bar before sitting down to seared veal with ginger and lime butter. Or give yourself an afternoon treat with one of our legendary cream teas. Whatever your taste, we've something to satisfy it.

# be entertained

**As well as 10 acres of grounds to explore**, there's also direct access to over 2,000 acres of stunning National Trust land. We have a 9 hole pitch and putt course, outdoor pool and lawn tennis too. With free wi-fi, an indoor year-round pool and a playroom with table tennis and snooker, there's something to entertain everyone. We even have our own exclusive beauty and treatment salon offering a range of services and therapies, from hairdressing to reflexology.

**A short car ride takes you to Salcombe** with its trendy shops, cafés, bars and boats. You're also within easy reach of Totnes, Dartmouth and the wilds of Dartmoor. And there's no shortage of family attractions, country houses, castles, gardens, golf courses and watersports facilities close by.

# be enchanted

**Whatever time of year you visit, the seasons, the sea and the scenery will never fail to inspire.** From balmy summer beach days to bracing winter walks, our hotel is a beautiful place to be in the spring and perfect for a short autumn break. With a license for weddings, exclusively yours ceremonies, receptions and blessings, it's also an idyllic venue for any special occasion.

## **be independent**

**For those who prefer a little more independence,** we offer self-catering accommodation for up to ten guests in West Soar House, a unique seaside residence in the hotel grounds. And from Easter 2012, you'll also be able to stay in one of the hotel's five eco-designed, luxury three bedroom apartments. Enjoy all the flexibility of self-catering with all the hotel's facilities on your doorstep!
